WE PROVIDE FACILITY OUTAGE SERVICES

Whether you are dealing with an unplanned shutdown, are planning an outage or are in the middle of one, A&D Environmental Services' highly-trained professionals have the skills, tools and experience necessary to handle your facility outage needs, 24-hours a day, 365 days a year.

Industrial Services

At A&D Environmental, we know time is money. Planned and unplanned shutdowns demand highly-skilled work to be done within tight deadlines. Don't gamble with your time and money. Let us get your site back up and running with our full list of facility outage services that include:

- Specialized hydroblasting services with operating pressures from 2K to 40K psi, specialized tools/nozzles (2D-3D, badger, barracuda) and hot water washing
- Vacuum truck services with both wet and dry material capabilities
- Overhead dust removal services including the safe removal of hazardous and combustible dust
- Stormwater and industrial water systems cleaning and disposal
- Chemical cleaning and camera scoping capabilities
- Turn-key boiler washing services
- Tankers, roll-offs, frame trucks, frac tanks and vacuum boxes
