## WE PROVIDE FIRING RANGE CLEAN-UP SERVICES

A&D Environmental Services provides firing range lead reclamation and clean-up services in accordance with EPA-established standards. A&D will employ best management practices that have been proven to effectively reduce or eliminate lead contamination while also being universally beneficial to the shooting range owners and community.

A&D offers this service for indoor or outdoor, operational, closed and abandoned firing ranges. A&D has experience providing services to private gun ranges, law enforcement, retailers, government entities and the military. Our remediation personnel are trained and monitored in accordance with OSHA 1910 and 1926.

Backed by our highly competent remediation teams, A&D can supply the necessary equipment & technical resources so that you can focus on what's important to you, your business. Give us a call today at 800-434-7750.

We offer a comprehensive range of reliable, compliant and safe remediation and lead reclamation services for firing ranges.
